

OfficeSTOR

"making your **space work better** for you"

Innovative products that offer space saving for your work place. 100's of storage and furniture ideas for things big and small, for people and products.

We believe in collaboration: working with space planners, suppliers, facilities departments and architects as part of an integrated solution.

As storage experts we can often apply a winning formula from one working environment to another, and across different sectors to deliver the benefits direct to you.

Compactus® Office Benefits

Focus on extra space

Focus on space efficiency

- Almost doubles the storage capacity
- Or create space for an extra work unit

Focus on flexibility

- Can be extended with more mobiles or extra sections
- Two-sided accessibility allows use as room divider
- Shared storage or group storage in open offices
- Can be moved
- Shelves can be adjusted in increments of 20 mm

Focus on design

- Stylish and ergonomic hand wheel
- Decorative panels can be fitted with varying materials
- Standard available in 9 monoform designs and 10 steel colours
- Floor panels are available in granite and terrazzo

Focus on user friendliness and safety

- Ergonomic hand wheel for effortless operation
- Profiled aluminium rails for smooth movement
- Aluminium ramp for easy access
- End stops and anti-tilting design ensure safe handling
- Can be fitted with aisle safety to prevent movement of the mobiles during storage and retrieval

Focus on security

- Central lock - the whole cabinet system is locked in only one action
- Closable by adding roller front doors or sliding doors

Focus on multifunctionality

- Wide range of accessories - Compactus® Office adapts to the files used in the office
- Smart filing in pull out frame and under shelves with Multi-file

Focus on multiple dimensions

- Available in multiple dimensions (D,H,W)
- Can be stored up to 290 kg per section (GS approved)
- Shelves can be loaded up to 80 kg, uniformly distributed
- The total height from existing floor to top of bottom shelf is 155 mm.

Focus on quality

- High durability and perfect finish
- Complies with major international quality standards such as RAL and GS
- Produced according to ISO 9001 and ISO 14001 legislation
